SUBJECT: **NOTICE OF INTENT TO AUGMENT: CONTRACT NO. H-700940, AIDS PROJECT LOS ANGELES, HIV/AIDS HEALTH EDUCATION/RISK REDUCTION SERVICES**

This is to advise you that the Department's Office of AIDS Programs and Policy will be implementing the fifteen percent provision of Contract No. H-700940 with AIDS Project Los Angeles. The provision allows the Director of Public Health or his designee authorization to augment services and allocations up to fifteen percent of the contract's budget.

We will authorize an augmentation of \$190,000, increasing the maximum obligation of the contract to \$1,464,044, for the term of July 1, 2007 through December 31, 2008. These funds will enable the agency to provide HIV prevention services to American Indian residents of Los Angeles County. Funding is one-time-only and will be obtained from the Centers for Disease Control and Prevention.

If you have any questions or need additional information, please let me know within two weeks of the date of this letter. Unless I hear otherwise from you, the augmentation will be implemented.
